

*Do I need a Sunday
To tell you how I feel,
Does it take a card
To show my love is real
Will a dozen roses
Or Cadbury's best Milk Tray
Tell you once and always
What's in my heart to say
Will a meal out with the family
Or an hour spent at home
Let you know how much you mean
No matter where I roam.
Will Helen Steiner Rice
Or a poet of renown
Thank you for the times
You wiped away my frown
Will any other hand
With pen of flowing ink
Tell you on this special day
All I feel and think*

*On this day I thank you
For your goodness night and day
And I thank you for the times
Your reminded me to pray
I thank you for the sleepless times
You fretted about me
And I thank you for the open door
That relied not on a key
I thank you for your presence
And your love and lasting cheer
My thanks is not a passing thing
But lasts the live long year.*
